# Waterloo: A pioneer in cybersecurity innovation

Waterloo is a global leader in tech and innovation. Our dynamic and collaborative ecosystem boasts the highest-quality tech workforce in Canada, world-class post-secondary institutions and numerous research hubs.

## Canada's leading tech hub

#1 small tech talent market in North America

#1 fastest-growing community in Canada

Strategically located in the Toronto-Waterloo Corridor, the 3<sup>rd</sup> largest tech cluster in North America and home to 15,000+ tech companies and 343,000+ tech workers

## University of Waterloo: One of Canada's top technology schools

42,000+ students

#2 in Canada for Computer Science (#21 in the world)

23% of Canadian tech founders from top-ranked schools are University of Waterloo graduates

Named Canada's most innovative university 30 times

“Arctic Wolf’s first office was in Waterloo, and it still serves as the cornerstone of both our R&D and security teams. Our success would not be possible without the world-class technical talent available to us here.”

**Dan Deeth,**  
Senior Director, Corporate Communications, Arctic Wolf
