Waterloo: Accelerating global health innovation

Waterloo is a global leader in tech and innovation. Our dynamic and collaborative ecosystem boasts the highest-quality tech workforce in Canada, world-class post-secondary institutions and numerous research hubs.

Canada's leading tech talent and ecosystem

#1 small tech talent market in North America

#3 fastest-growing community in Canada

Strategically located in the Toronto-Waterloo Corridor, the 3rd largest tech cluster in North America and home to 26,000+ tech companies and 373,000+ tech workers

“Our expansion might have been out of reach without great government programs that support everything from new technology to capacity-building. If you want to create new products, add value, and get help doing it, Canada is a great place to be.”

Atif Zia,
President, Novocol Pharma
COO, Septodont

University of Waterloo: One of Canada's top technology school

41,000+ students

#3 in Canada for Computer Science
(#15 in North America)

20% of Canadian tech founders from top-ranked schools are University of Waterloo graduates

Named Canada's most innovative university 30 times
